IQN Supply Chain Management Diploma expands your career opportunities across industries and equips you with the skills to deliver results in today's global marketplace. Advance your expertise and become a valued contributor to supply chain success.

# Importance of Supply Chain

**01**

## **INCREASES CUSTOMER SATISFACTION**

Fast delivery and reliable products make customers happier and more loyal.

**02**

## **SUPPORTS BUSINESS GROWTH**

Efficient supply chains help companies scale and compete in global markets.

**03**

## **ENSURES PRODUCT AVAILABILITY**

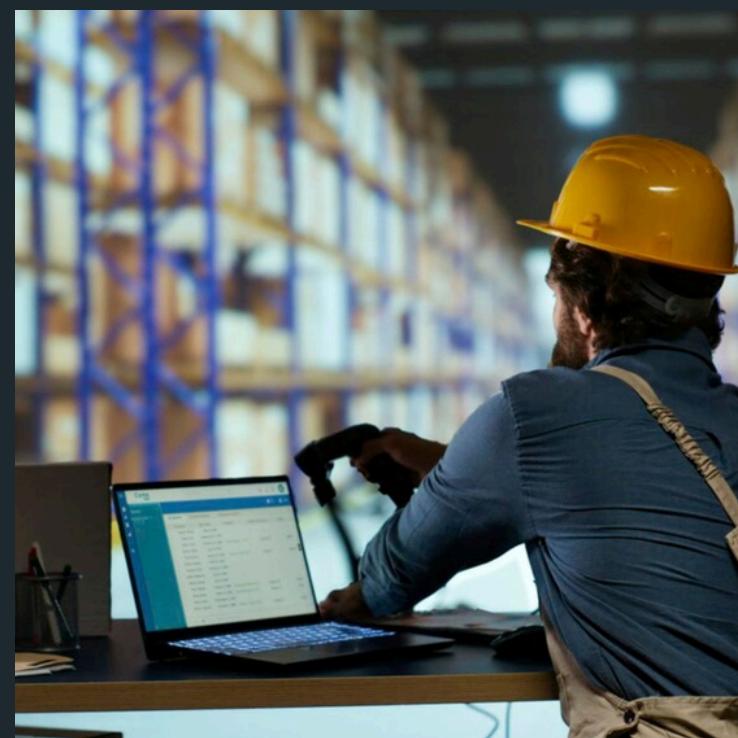

Supply chains make sure products are available when customers need them.

# Key Supply Chain Participants

The supply chain is built on a network of key participants, including suppliers, manufacturers, logistics providers, distributors, retailers, and end customers. Each plays a critical role in ensuring the efficient flow of materials, information, and finances, working together to deliver products and services seamlessly from origin to final consumption.
