

LEVEL 7 DIPLOMA

Train the Trainer

COURSE BOOKLET

WHY TTT?

The Level 7 Train the Trainer Certificate is an advanced qualification designed for experienced and aspiring trainers, educators, and learning professionals who want to strengthen their expertise and professional standing. The program focuses on advanced training delivery, adult learning principles, and effective facilitation techniques for diverse learning environments.

Participants gain the skills needed to design, deliver, and evaluate structured training programs that meet organizational and learner needs. This certification supports career progression into senior roles such as lead trainer, training manager, or learning and development consultant, and is widely recognized for its professional and international value.
