

PMP®

**Project Management
Professional**

The world's most recognized certification for
Project Managers

A truly global certification

1,000,000

**Over 1 million certification holders
worldwide**

You can find PMPs leading projects in nearly every country and, unlike other certifications that focus on a particular geography or domain, the PMP® is truly global. As a PMP, you can work in virtually any industry, with any methodology and in any location.

Why join PMP?

- Earn respect and prove your expertise by using designatory letters **“PMP”** after your name.
- PMP certified professionals **earn 25% higher** on average.
- PMP is a well recognized yet a very **affordable** qualification.
- PMP certification is valid **all over the world**. You can find PMPs all over the world working across **all industries**.
- Become a **better project manager** by learning the most modern approaches, strategies, tools related to project management.
- Companies prefer PMP for employees at **managerial positions**. Some companies have made it **mandatory** for all managers to be PMP certified.

Eligibility Criteria

- A four-year degree
- Three years project management experience
- 35 hours of project management education/training

— OR —

- A high school certificate or equivalent
- Five years project management experience
- 35 hours of project management education/training

The PMP exam

- PMP has **one (4 hours) computer based exam.**
- Exam is available **anytime of the year** and can be scheduled online (based on the given exam slots).
- There are a total of **180 multiple choice questions** in the exam.
- The marks each question carries depend on the difficulty level of the exam.
- A candidate who gets a more difficult exam needs to score less in order to pass.
