It's not just a qualification; it's a transformation into health and safety leadership"

About the IOSH Level 6 Diploma

The IOSH Level 6 Diploma in Occupational Safety and Health Leadership and Management is a prestigious, globally recognized qualification grounded in the IOSH competency framework. Designed for those who are ready to lead, this diploma provides a clear and structured pathway for OSH professionals aiming to reach senior positions or achieve Chartered Membership (CMIOSH).

The qualification focuses not only on technical knowledge but also on the strategic and interpersonal skills essential for modern safety leadership. Learners develop the ability to integrate OSH best practices with core business strategies, contributing directly to organizational success and sustainable growth.

Who Should Enroll?

This qualification is ideal for:

- Currently manage or plan to manage health and safety systems
- Influence OSH policy, procedure, and culture within an organization
- Report to or work with senior leadership teams
- Aspire to move from practitioner roles to strategic leadership
- Professionals seeking CertIOSH/CMIOSH membership routes

Eligibility Requirements:

- Aged 19 or over
- A Level 3 OSH qualification OR minimum two years of OSH-related experience
- Proficient in English (assessed during sign-up)

Key Features

- **Comprehensive Curriculum**

Covers the entire IOSH competency framework, including technical, behavioral, and core business competencies.

- **Business-Focused Approach**

Equips learners with the skills to align OSH strategies with business objectives and influence organizational culture.

- **Work-Based Assessment**

Assignments are grounded in real-world application, allowing learners to demonstrate competence through reflective and practical evidence.

- **Professional Recognition**

Fulfills academic requirements for CertIOSH membership. Upon successful Post-Diploma Assessment (PDA), learners can progress to CMIOSH.

- **Global Accreditation**

The qualification is regulated by Ofqual and recognized internationally by employers and institutions.

- **Leadership Endorsement**

Endorsed by the Institute of Leadership, reflecting excellence in developing leadership capabilities.

- **IOSH Membership Benefits**

Access exclusive resources including CPD tools, Blueprint, mentoring, webinars, and the IOSH Career Hub.

Institute of Leadership Approved

This diploma is endorsed by the **Institute of Leadership (IoL)**, a globally recognized body committed to inspiring leadership excellence. Learners gain access to valuable leadership development tools and may qualify for **AIoL**, **MIoL**, or **FIoL** membership grades, enhancing their professional recognition and capabilities.

The IOSH Level 6 Diploma meets the IoL's five core values:
Authenticity, Vision, Achievement, Ownership, and Collaboration.

Qualification Structure

To be awarded the IOSH Level 6 Diploma, learners must complete the following three units:

Unit L6D01 – Advanced OSH Management Principles

- Understand global OSH legal frameworks
- Evaluate risk management approaches
- Integrate incident management into OSH systems

Unit L6D02 – OSH Integration within an Organization

- Analyse OSH's value to organizational success
- Evaluate external influences and change
- Appraise OSH's contribution to sustainability

Unit L6D03 – Leading and Influencing in OSH

- Assess behavioural impact on OSH outcomes
- Enhance OSH leadership and influencing skills
- Deliver personal leadership reflection

Course Delivery & Assessment

- Guided Learning Hours: **155 hours**
- Self-study Hours: **225 hours**
- Total Qualification Time: **380 hours**

Assessment Includes:

- Technical Evaluation Assignment & Presentation (L6D01)
- OSH Strategic Proposal & Presentation (L6D02 & L6D03)
- Reflective Assignment (L6D03)

Study Modes Available:

- Fully online through LMS
- Live Zoom sessions and recorded lectures
- Blended or face-to-face learning (Qatar)
